ORDER

NELSON S. ROMÁN, United States District Judge:

A review of the docket reveals that the instant criminal action was commenced over three years ago; Defendant Anthony Luria is charged with two counts of conspiring to commit robbery in violation of 18 U.S.C. § 1951, one count of committing robbery and aiding and abetting the same in violation of 18 U.S.C. §§ 1951 and 2, and one count of using and carrying a firearm that was brandished during and in relation to second robbery and aiding and abetting the same; a trial is scheduled for January or February 2021; and Defendant wishes to enter a guilty plea pursuant to a negotiated plea agreement.

In light of the ongoing Coronavirus Disease 2019 (“COVID-19”) pandemic, Defendant’s desire to resolve this matter without a trial as quickly as possible so that he can transfer to a Bureau of Prisons correctional institution to avoid continuing interaction with the transient prison population at the county jail facility where he is currently remanded, and in order to comply with social distancing protocols and the directives provided by the Chief Judge of the United States District Court for the Southern District of New York to limit in-person court appearances due to the risk presented by COVID-19, it is the Court’s determination that in order to prevent serious harm to the interest of justice, Defendant Anthony Luria can and should be permitted to change his plea by video teleconference or by telephone conference before a Magistrate Judge of this Court pursuant to the CARES Act § 15002(b)(2)(A).

Accordingly, it is hereby ORDERED that the plea hearing for Defendant Antony Luria be conducted by video teleconference or by telephone conference (if video conference is unavailable) before this Court or a Magistrate Judge at a date and time mutually convenient to the Court and all parties concerned. The Clerk of Court is requested to terminate the motion at ECF No. 94.
